

The background of the slide is a dramatic landscape. The sky is a mix of deep reds and oranges, with several bright, jagged lightning bolts striking down. Below the sky, there are silhouettes of rolling hills and a dense forest of evergreen trees in the foreground. The overall mood is intense and powerful.

# Caring for God's Creation

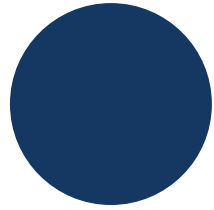

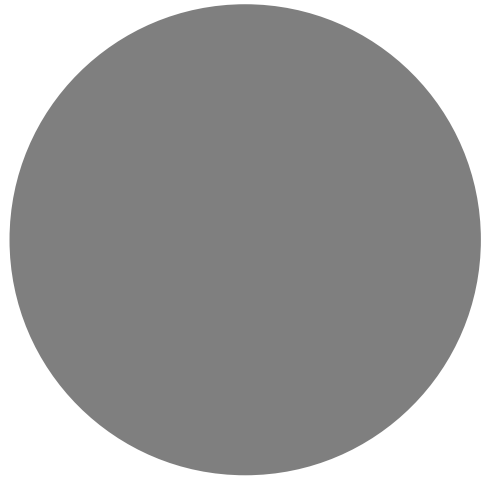

---

BLITZ! Youth Group

Parish of St. Joseph & St. Anthony

Pope Francis and Saint Francis

# Caring for God's Creation

How can **BLITZ!** help  
Care for Creation?

The Creatures  
of  
God's Creation

# Pets

Who has a pet?

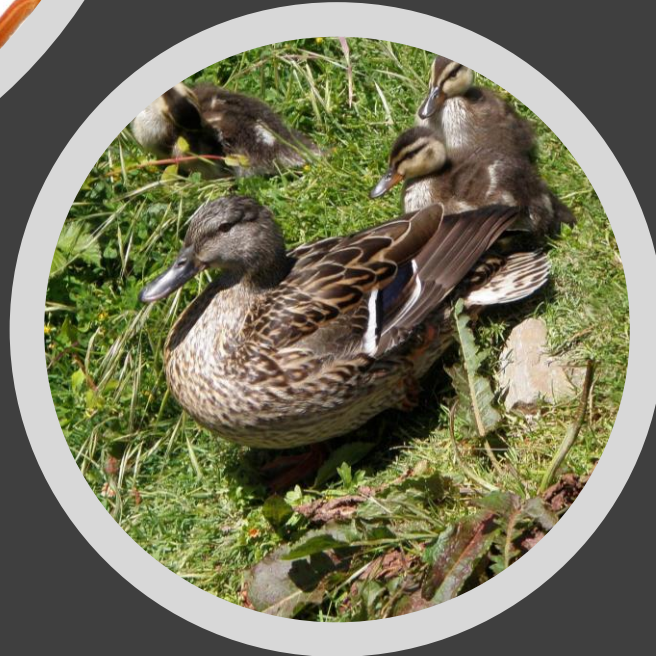

What kind of pet?

What is your pet's name?

Do you feel close to your pets?

Do you sometimes think you know what your pets are thinking?

Do you love your pets?

# Australian Animals

Can you name them?

What is special about them?

Why do we need to care for and protect them?

The Turtle

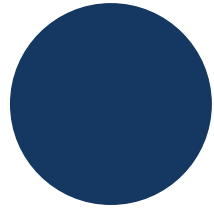

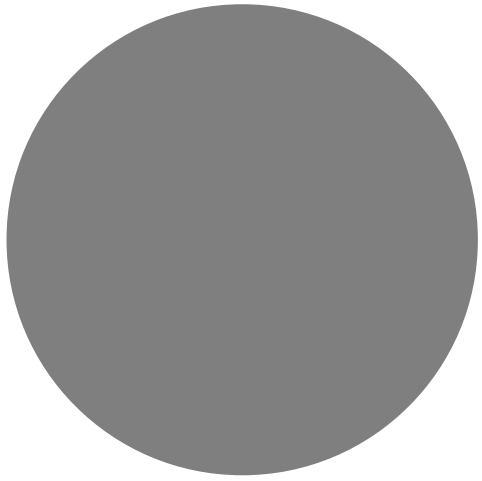

# Imagine Being A Turtle

# Plastics and the 'Straw NO More' Campaign

**BLITZ!**

Yes you can help in  
Caring for God's Creation

---

Will **BLITZ!** consider pledging to go  
“Straw No More”?

Title of Presentation:

Caring for God's Creation - What can BLITZ! do to help?

by Netta Sheridan, [Care for Creation Group, Parish of St. Joseph & St. Anthony](#)
