

Care for Creation at St. Joseph's

Website & Social Media

Why have a Website?

- Visibility
- Communications
- Engagement
- Repository

Website development requires IT skills and costs \$\$\$?

- Web-builder software does not require IT skills
- Weebly and Wix have free versions

Some Fundamentals to building your Website

- Home page image is the most important
- Draft layout on paper and save rework
- Acknowledgement of Country
- Archdiocese of Brisbane privacy hyperlink
- About Us
- Contact
- Other Social Media

About Us - On our website we said...

“We are people connected to the [Parish of St. Joseph & St. Anthony, Bracken Ridge](#) who care for creation, and who have been inspired by Pope Francis encyclical, ['Laudato Si' - On Care for Our Common Home'](#).

We hear the cry of the earth and the cry of the poor.

And we want to lovingly respond - both prayerfully and by positive practical action - under the guidance of the Holy Spirit+

Care for Creation Group, Parish of St. Joseph & St. Anthony”

Questions?

Part 2 – Steps to Building your Website

1. Create login ID – email address
2. Login to [Weebly](#)
